22"	SPC22	FC22	\$21.42
24"	SPC24	FC24	\$21.86

Spiral Pipe Connectors

- Male connector used for pipe to pipe or pipe to hose connections
- Female connector used to fit fittings together. Used on outside of male fittings
- Secure connection by installing sheet metal screw or pop rivets (fasteners not included). See below
- Our vinyl seal duct tape is recommended to seal air tight (see page 8)

UNDERSIZED
EX. 3" = 2-7/8"

SHEET METAL SELF DRILLING SCREWS
